Where security really matters

SO MUCH MORE THAN JUST A DOOR
Chosen by celebrities, schools, hospitals, cash rooms, police labs, government institutions, and Mr. & Mrs. for our unprecedented detail and advanced lock technology. We provide optimum security for your premises in the most beautiful way we know how.
Anything is possible!

For over 30 years we have specialised in providing the finest quality high security doors, locks and protection systems. We are known worldwide for our high standards, product quality, development and manufacture of high security doors for residential and commercial property, as well as institutional buildings.

All of our doors are constructed from double steel fabrication and fitted with the renowned Multi-Lock for maximum resistance to leverage and impacts.

We offer a wide range of security doors, as well as decorative panels for your home, office or building, combining the most advanced lock technology with stylish design and a choice of finishes to suit your every need.

We pride ourselves in a first class, reliable service, expert installation and the fact we never use sub-contractors. Our technical staff are always on hand to consult with architects or building contractors if required.

Why not contact us today and see how we could protect your property too?
