

Cutting

edge performance

Picked by TV chefs
and professional
cooks for comfort,
versatility and
speed

**The most comfortable
knives you'll ever use**

- **Non Slip Handle**
- **Seamless Design**
- **Strong and Durable**
- **Rebalancing Coppertail™**
- **Professional Edge**
- **Lifetime Warranty**

**Coppertail™
Balancing
System**

Shave handle
as required
for a perfectly
balanced
knife.

**Patented Reverse
Wedge Handle**

Needs only a light
grip. Hand does not
slip forward, even
when wet or oily.

**East/West™
Blade**

A Western
cooks knife
and Eastern
chopper in
one.

Razor Sharp Blade

Füri® Tech Edge
Pro Sharpening
system provides a
razor sharp blade
at 20° angles.

**Forged ExoSkeleton™
FX Technology**

Seamless single piece knife
is stronger, long lasting and
more hygienic.

Scalloped Edge

Reduces friction, preventing
food sticking to the blade.
