Approximately 8 hours of authentic footage and commentary produced by the War Department captured on 8 DVD/Video.

Combining the most informative documentary with authentic, original WWII footage, the series traces the war from its conception in Germany in the 1930's through to the dropping of the atomic bomb on Nagasaki and Hiroshima, which ultimately proved to signal the end of the war.

This authentic historical account has been produced by the War Department, Special Service Division S.O.S. with the cooperation of the Signal Corps. Employing American newsreels, official United Nations films, enemy pictures now possessed by the War Department with maps and diagrams prepared by the War Department.

A non-sensationalised historic 8-hour film, which should be viewed by current generations to help ensure that this horror will never be repeated. Fascinating, entertaining, emotional memories for the generations that lived through the war and those born immediately after.

The complete 8 DVD/Video Collection is available EXCLUSIVELY to readers for ONLY £29.95 plus p&p **SAVING £50**.

### DVD/Video One – THE NAZIS STRIKE

The Nazis come to power as Hitler imposes Dictatorship on Germany. They march on Austria, Czechoslovakia and Poland. With appeasement as the only defence, WWII becomes inevitable.

### DVD/Video Five – PRELUDE TO WAR

A look at the contrasts between free societies and totalitarian governments. A picture of the development of the dictatorships in Germany, Italy and Japan. The rise of Nazism, Italy's conquest of Ethiopia and Japan's conquest of Manchuria.

### DVD/Video Two – DIVIDE & CONQUER

The German War machine continues its march through Europe. Denmark and Norway fall. France's Maginot Line crumbles and the country is conquered. The British Army is defeated at Dunkirk and the Low Countries are added to the list of Nazi possessions.

### DVD/Video Six – WAR COMES TO AMERICA

The author Frank Capra views the USA's history and its reaction to the terrifying events "across the ocean" and its change in feelings from "America first" isolationism to involvement in the fight against the Axis.

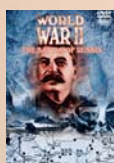

### DVD/Video Three – THE BATTLE OF BRITAIN

Exciting newsreel footage highlights this award-winning documentary. As the British people fight bravely, Hitler orders the Luftwaffe to begin the London Blitz in the hope of bringing England to her knees.

### DVD/Video Seven – FURY IN THE PACIFIC

December 7 1941 "The date that will live in infamy." It is the day of the early morning surprise attack upon the Honolulu based American fleet by the Japanese. Some 2,400 men died that morning as six out of eight ships plunged to the watery depths below.

### DVD/Video Four – THE BATTLE OF RUSSIA

This exciting documentary begins with a brief history of Russian wars before moving into WWII and the invading Nazis, using incredible newsreel footage of the actual fighting. The Nazis are victorious at Moscow and Leningrad but are defeated at Stalingrad.

### DVD/Video Eight – HIROSHIMA & NAGASAKI

The tragic story of the atomic bombing of 2 Japanese islands during World War II and the death of half a million people and two cities in a split second flash.
